Thanks Phil.

Please see the attachment, and let me know if anyone has any comments on the proposed heading. I'd like to share with Jeaneanne by COB today, but before doing so also need to confirm that there are no other updates to the document based on our ongoing conversations with FDEP.

In case you are viewing on your phone and have difficulty reading the header, I've included it below:

Subject: Briefing paper to go with draft EPA-FDEP MOA re: 404 assumption

Trey,

This morning when I sent the proposed draft 404 MOA with FLA, I neglected to send the briefing document that our staff prepared to provide an overview. It is attached.

Thanks,
Mary
